To Whom It May Concern:

[Insert Applicant's Name] is my first cousin on my mother's side. I have known her all my life. In the Summer of 2008, I noticed on [Applicant's] Facebook Account that she had an American boyfriend, [U.S. Citizen]. [Applicant] and [U.S. Citizen] met [insert where they met]. Over the next two years, I saw evidence of their relationship growing through the pictures and postings on [Applicant's] Facebook account.

On August 1, 2009, I met [U.S. Citizen] at ABC Restaurant in Some City, Kansas. The occasion was an engagement party. All our cousins were at this engagement party which lasted from 6 p.m. to 11 p.m. During the engagement party, many people toasted the couple and we discussed the wedding ceremony in the U.S.A. in December, 2009 along with a trip later to Brazil to celebrate their marriage.

[Applicant] and [U.S. Citizen] are very much in love and I wish them to have a happy life in America together. I am very happy for my cousin.

Sincerely,
